Venice 27<sup>th</sup> April, 2022

**Re: "Vittorio and Marina Gregotti" Master Degree Award**

Given that:

- The statute of Fondazione Iuav states that it may carry out, in favor of the University Iuav of Venice, instrumental activities supporting teaching, scientific and technological research (art.4, letter b). It includes the promotion and financial support, the development of supplementary activities to teaching and research and the realization of services and initiatives aimed at enhancing studying conditions.
- On January 11<sup>th</sup> 2022, Fondazione Iuav and Mrs. Marina Gregotti, universal heir of Vittorio Gregotti, signed an agreement for the realization of a program of activities, studies and research, dedicated to the promotion and enhancement of the culture and dissemination of architectural heritage among the students of the University Iuav of Venice where Prof. Gregotti taught for many years.
- On April 7<sup>th</sup> 2022 Fondazione Iuav and Iuav University signed a collaboration agreement to activate a program of activities aimed at honoring the memory of Prof. Gregotti, as defined in the convention between Fondazione and Mrs. Gregotti on January 11<sup>th</sup> 2022.
- among the activities defined in the above-mentioned agreement for the year 2022, the conferral of n. 2 "Vittorio and Marina Gregotti" Master Degree Prizes for the two best theses in the field of architectural design.

All this being stated, Fondazione Iuav, headquartered in Santa Croce Tolentini 191, 30135 Venice (VE), c.f and p.iva 00188420277, announces the present publication for the conferment of 2 cash prizes in favor of students of the Master of Architecture and MA in Architecture courses of the Iuav University of Venice who graduated in the sessions of the academic year 2021-2022.

**Art. 1 - Object and purpose of the Degree Award**

The Iuav Foundation promotes the first edition of the "Vittorio and Marina Gregotti" Master's Degree Award (hereinafter referred to as the "Degree Award") to be awarded to two Master's theses presented at the Iuav University of Venice in the graduation sessions of the academic year 2021-2022 for the degrees in Architecture and MA in Architecture. The winning theses must be related to the field of architectural design, in which Prof. Gregotti carried out his research and activity, referable to the S.S.D. ICAR 14-15-16, namely Architectural and Urban Design, Landscape Architecture, Interior Architecture and Interior Design.

**Art. 2 - Content of the theses**

The theses will have to deal with the public significance of architectural design in relation to the city, they may also include interiors and installations. They will have to show relevance to themes related to the critical interpretation of pre-existing buildings: the reconfiguration of buildings of historical-cultural value, the study of new architecture for education, for fragile or disadvantaged social categories and for other uses of collective significance. They may also concern the design of infrastructural architecture and public space, as well as the reconstruction of urban areas subject to abandonment and destruction by war. Particular attention must also be shown to the quality of the representation of the project, through drawings and consistent use of scale models.
